

Legal for SMEs

Training for Small Businesses with Employees Affordable Legal Compliance Solution and Includes 15 Contract Templates from Contracts4Biz™

We have witnessed first-hand the challenges entrepreneurs face when trying to access grow their businesses into assets of value. Even accessing investment or and/or new markets can be a major obstacles. These obstacles are often the symptoms of a more serious underlying cause and legal compliance issues. We recognise the cost and time barriers to accessing quality legal services and that is why we created this course.

In just 4 weeks we achieve what others take 6 months plus to achieve and after spending thousands of rands.
